

Noise reduced blow-out nozzles with constant outlet

lower air consumption, lower noise level, higher air blast performance

for tube- $\varnothing = 8 \times 1,0 \text{mm}$

fitting

thread: M12x1,5
order-n.: 033-00205

stainless steel tube

$\varnothing = 8 \times 1,0 \text{mm}$
order-no.: S86-000008010

blow-out nozzle

compl. with nut and compression ring
order-no.: 305-70020/K

fitting

thread: M12x1,5
order-n.: 033-00205

stainless steel tube

$\varnothing = 8 \times 1,0 \text{mm}$
order-no.: S86-000008010

compact, lightweight blow-out nozzle "S"

compl. with nut and compression ring
order-no.: 305-74020/K

for tube- $\varnothing = 10 \times 1,5 \text{mm}$

fitting

thread: M12x1,5
order-no.: 033-00220

stainless steel tube

$\varnothing = 10 \times 1,5 \text{mm}$
order-no.: S86-000010015

blow-out nozzle

compl. with nut and compression ring
order-no.: 305-70030/K

to screw in direct

blow-out nozzle

thread: M12x1,5, G1/4", G1/8"

M12x1,5: order-no.: 305-70110/K
G1/4": order-no.: 305-70120/K
G1/8": order-no.: 305-70130/K

compact, lightweight blow-out nozzle "S"

thread: G1/8", M12x1,5

G1/8": order-no.: 305-74130/K
M12x1,5: order-no.: 305-74140/K

Spare parts

for blow-out nozzle

cap nut **8-L**
for tube- \varnothing = 8mm

order-no.: 033-00041

compression ring **8-L**
for tube- \varnothing = 8mm

order-no.: 033-00101

cap nut **10-L**
for tube- \varnothing = 10mm

order-no.: 033-00042

compression ring **10-L**
for tube- \varnothing = 10mm

order-no.: 033-00102

for compact, lightweight blow-out nozzle "S"

cap nut **8-LL**
for tube- \varnothing = 8mm

order-no.: 033-00034/VA

compression ring **8-LL**
for tube- \varnothing = 8mm

order-no.: 033-00121/VA
